No. of Students participated	60
Content	<p>Govt. E.V. P.G College Korba organized Online Certificate course on Interactive communication skill development in English. Objective of the certificate course was a shift in pedagogy from lecture oriented classes to interactive learning, to familiarize students with the function of grammatical items used for spoken/written language and to train students to use the language with confidence.</p> <p>Justification of this certificate course are:</p> <ul style="list-style-type: none"><li>• Korba is a tribal area and with the pressure of COVID-19 it is essential to interact with the students and boost their courage.</li><li>• To interact with students the college has decided to conduct workshops in order to develop the latent skills of the students and also to help them to support them for their future.</li><li>• English is in demand everywhere because people have realized that the knowledge of English can lead to a better career and a higher income.</li><li>• It also provides greater opportunities to communicate with the entire world.</li><li>• English is no longer a foreign language it is now a global language and for this speaking and knowing basic English is a very important perspective for the future.</li><li>• Many students find it difficult to speak English well because they lack confidence while speaking in English.</li><li>• Speaking English can boost your confidence and also help to develop personality.</li><li>• A person who keeps learning can never become old.</li><li>• Hence start reading and speaking and you will definitely achieve your goal.</li><li>• The most important meaning of life is to attempt.</li><li>• Without goals and experiments and failures nothing can be achieved.</li><li>• Failures are the stepping stones to success.</li></ul>
