

Academic Audit 2017-18

**Report on the
Academic Audit
for the session 2017-18 of
Govt. E.V. Post Graduate College Korba,
Chhattisgarh**

Date : 5/3/2018

INTRODUCTION

Korba, the power capital of Chhattisgarh, is situated on the banks of the confluence of the two rivers Hasdeo and Ahran. The district is situated in the northern half of the state and is the home of several tribes including the protected tribe Korwas (Pahadi Korwas) from whom the district gets its name. Korba is blessed with a lush green forest cover abounding with rare species of flora and fauna. These tribes live in tandem with the pristine natural surroundings and retain their distinctive features. The district is the hub of coal-mining and power-generation activities. The city houses numerous thermal power stations and several public sector undertakings as well as underground and open-cast coal mines. These activities have resulted in making Korba one of the most highly polluted cities of India.

The college is affiliated to Bilaspur University and is situated in a vast verdant campus of 50 acres. The college caters to the educational needs of the students of this tribal area. It is committed towards the fulfillment of its VISION and MISSION statement. Majority of the students come from the rural, socio-economically weaker section of the society and the faculty strives to impart quality education through modern innovative methods of teaching and instilling moral ethics for the complete development of their personality.

The college was awarded 'B+' grade with CGPA of 2.79 by NAAC in November 2016 and now it is volunteering for the third cycle of reaccreditation.

4. Remark

- Encouraging out-of-classroom experiences for the students through academic tours, industrial visits, excursions, field surveys etc., for positive learning outcomes.
- Parents are called and consulted for any problem
- Most teachers are good all teachers are well qualified and honest about their work.
- Students want scope for more interactions and discussion with the teachers
- Laboratories are well equipped and having sufficient equipment and facilities to perform practical as per the syllabus. But expansion of space is required.
- In PG classes there is need for more exposure to research, paper presentation, etc.
- Great emphasis on extension and out-reach activities by the faculty.
- Inadequate faculty and non teaching staff with excessive workload.
- Limited consultancy and collaboration
- Faculties may be encouraged to conduct research projects, through various funding options such as UGC major and minor research projects, as the percentage of faculties conducting research projects is relatively less.
- 3 students have to sit in one bench because of strength of students. This is uncomfortable.
- Faculties may be encouraged to publish papers, articles or participate in book review, as the percentage of faculties involved in such activities is less.
- The institution may partner with other institutions of repute through formal MoU.
- Student centric learning mechanism may be improved.
- Inadequate class rooms.
- Use of power point in classes for teaching learning by the students and the faculties may be reinforced.
- Welfare schemes may be introduced for the students and the faculties.
- More additional certificate courses may be introduced towards making the students more employable.
