

4.1.1
GOVT. E.V. POST GRADUATE COLLEGE, KORBA
DIST - KORBA (C.G.)

College Facilities Overview

The college provides a variety of facilities aimed at fulfilling both academic and non-academic requirements,

creating a conducive environment for students and staff. The key features are:

Academic Resources

Classrooms & Seminar Halls:

- There are 23 spacious classrooms, of which seven are equipped with ICT-enabled teaching tools to support modern teaching techniques.
- A well-designed seminar hall provides a comfortable setting for academic and professional gatherings.

Laboratories:

- The institution offers advanced UG and PG laboratories to enhance hands-on learning.
- A computer lab is equipped with state-of-the-art devices, including computers, printers, projectors, and the latest software and hardware.
- The psychology lab is furnished with experiments, scales, and questionnaires.
- The language lab includes a smartboard, computers, and phonetic software to facilitate language acquisition.

Library:

- A central library and 15 departmental libraries provide an extensive collection of books and journals, accessible during college hours.
- Stock and issue registers are maintained to ensure organized management of resources.

Govt. E.V.P.G. College,
KORBA (C. G.)

Faculty Amenities:

- A staff room equipped with essential facilities caters to the needs of faculty members.

Sports and Recreation:

- Indoor and outdoor sports facilities are available for both students and staff.
- An open gymnasium supports fitness and wellness activities.

Infrastructure and Support Services:

- The campus features Wi-Fi connectivity across the main and extended areas.
- Backup power is ensured through a generator, a separate transformer, and solar power systems.
- Fire safety measures are implemented for emergency readiness.
- Dedicated parking facilities are available for students and staff.

Accessibility and Inclusivity:

- Facilities such as ramps, wheelchairs, and specially designed restrooms ensure accessibility for differently-abled students.

Additional Amenities:

- Clean drinking water is provided through RO filters and water coolers.
- Seminar halls and lounges are used for interactions with students, parents, and stakeholders.

This comprehensive infrastructure highlights the college's commitment to offering a supportive and inclusive environment that promotes learning, growth, and well-being.
