## Institution Facilities for Sports and Cultural Activities

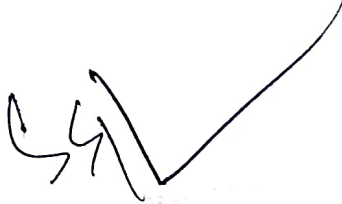

### - Gymnasium:

- A well-equipped indoor gymnasium and an open gymnasium promote physical fitness among students and staff.

### - Extended Sports Facilities:

- The institution has signed MoUs with several organizations to share its sports grounds and provide professional coaching for sports like Cricket, Football, and Athletics.

These facilities reflect the college's commitment to fostering sportsmanship, physical fitness, and cultural enrichment, ensuring students have opportunities to excel beyond academics.
