

GOVT. E. V. POST GRADUATE COLLEGE, KORBA DIST - KORBA (C.G.)

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Response Govt. E.V.P.G College, committed to fostering a "distinctive environment of educational excellence with humane values and social responsibility," emphasizes the constitutional values that unite India's diverse population. These values, rooted in equality, justice, and human dignity, guide both students and staff in their personal and academic growth, irrespective of caste, religion, race, or gender. The college aims to equip students with essential knowledge, skills, and values to balance livelihood and life. Students actively engage in discussions and seminars on topics such as media and democracy, law and ethics, and National Vigilance Week, internalizing constitutional values. They are also made aware of their duties and responsibilities as citizens of India. Through NSS, NCC, YRCS, and SVEEP activities, students foster human values and social responsibility. Initiatives like health campaigns, AIDS awareness, gender sensitization, blood donation, tree plantation, and Swachh Bharat programs sensitize them to community service, environmental care, and active citizenship. The college celebrates Constitution Day (Samvidhan Divas) on 26th November to honor the adoption of the Constitution, with faculty and students reaffirming their commitment by reading the Preamble. Additionally, the Beti Bachao, Beti Padhao Jan Aandolan Rally at the adopted village highlights the college's role in promoting social causes and gender equality.
