ABOUT THE COLLEGE

Govt. E.V.P.G. College is a co-educational post graduate institute affiliated to Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur (C.G.) established in 1981 to fulfill the vision of imparting quality and job-oriented education with moral ethics and discipline to the students of the tribal area. The college is situated on a lush green, sprawling campus of 50 acres wherein all efforts are taken to sensitize the students towards environmental protection and steps are taken to provide a green cover to overcome the heavy pollution in the city caused by the coal mining activities and the numerous power plants in the region. The college offers B.A. UG and B.A. PG degree courses besides B.A. Post-graduate diploma courses (PGD.A, PGD.C and PGD.BM) and one diploma course (DCA) at the U.G level. It is also the study center of National University Student Skill Development Programme, Tata Institute Of Social Sciences, Mumbai.

ABOUT THE WEBINAR

The main aim of the webinar is to emphasize on the sustainable environmental stewardship.

community development and business practices. It also highlights the opportunity which will enhance the future awareness to prevent and conserve the biodiversity and natural resources.

This event intends to minimize exploitation of natural habitats, physical, social, behavioral and psychological impact. It aims to maximize the sustainable development of environment and empowerment of custom or cultural value of indigenous people.

This webinar is an initiative to help the faculty members, ethologists, wild life conservators, investigators, environmentalists and nature lovers to take steps towards research and create Eco mentality or ecofriendly atmosphere.

It will be essential for biodiversity conservation often providing a habitat and protection from poaching and logging for threatened and endangered species of flora and fauna.
