## Feedback Analysis & Action Taken Report 2016-17

Internal Quality Assurance Cell (IQAC) mandatorily collect feedback from all the stakeholders – student, teacher and alumni. The feedback collected is analyzed by feedback committee. After detailed analysis based on observation on the score and suggestion provided in the feedback form by the stakeholders, action taken report is prepared and submitted to the appropriate bodies.

### Objective –

The objective of this feedback collection and analysis is to collect the suggestions from all of its stakeholders. The score as well as the suggestion given by the stakeholder helps the institution to enhance its benefits to the reach of all stakeholders. This analysis also helps the institution to improve in all aspects viz. Curricular and co-curricular.

### Methodology –

1. The feedback form on the curriculum is circulated to the stakeholders and collected by Internal Quality Assurance Cell (IQAC).
2. The feedback collected from the stakeholder is analyzed by the feedback committee.
3. Internal Quality Assurance Cell (IQAC) holds a meeting with feedback committee at the end of the academic year to discuss on the various suggestions and to prepare action taken report.
4. The action taken report prepared is then submitted to the appropriate bodies for further actions.

### Analysis –

The data is compiled and analyzed through the statistical tools. It is given for deliberation to the head of institution.

### General action plan after data collection and analysis –

- Based on the annual feedback action taken report plans for the next academic year will be prepared in the faculty meeting.
- Department level meetings are also held to execute and implement the action plan.
