Content	<p>The internal quality assurance cell (IQAC) of Govt. E.V. Post Graduate College, Korba organized to summarize the activities and results of the ten day internship for students of MA English Literature at the district bureau of the English newspaper, The Hitavada. Four girls from MA English Literature joined district bureau of the Hitavada for a brief internship of ten days. During this period, they were briefed about the structure of a newspaper report and they perused several newspapers. The first stage of the training included developing the already-collected facts into reports. After the initial two days, the girls were assigned to cover different events as a pair of two; and they submitted their reports in pairs. By this time, the girls developed a vague sense of report writing. The final stage included separate assignments for each one of them and at this stage, they submitted their individual reports. Two of their news stories got published in the newspaper during this period. The internship ended with a visit to a local newspaper printing house on Monday, 23rd April, 2018. The girls have now completed their internship and they have developed initial understanding about the incidents which receive space on the newspaper, and have a basic idea about writing a news report.</p>
