Sub:- Recommendation for Initiation to Mathematics Programme From 16.12.2019 to 21.12.2019

Madam,

With due respect respect, I wish to bring to your kind notice that Govt. EVPG College Korba is the nodal/lead college of the district.

This college is situated in a fairly difficult to access tribal area of Chhattisgarh state. It caters to the educational needs of over 2950 students predominantly from SC and ST categories with a weak socio-economic background. The college is committed towards providing quality education coupled with various skill development and job oriented programmes for the students.

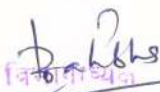

The invitation for Initiation to Mathematics Programme comes as an extremely welcome opportunity for the students of B.Sc. II Year Mathematics who are sincere hardworking and have a goal to move further.

A certification of this programme from your side to these students will boost up their morale, increase their experience and will be an add-on to the college's efforts.

I therefore, humbly request you to kindly give a chance to these students to attend the programme and oblige.

Thanking You,
