<b>Content</b>	<p>The internal quality assurance cell (IQAC) of Govt. E.V. Post Graduate College, Korba organized Copyrights and its legal aspects. Copyright refers to the legal right of the owner of intellectual property. In simpler terms, copyright is the right to copy. This means that the original creators of products and anyone they give authorization to are the only ones with the exclusive right to reproduce the work. The issue with copyright is that it only safeguards the expression of ideas by the creator and not the underlying idea.</p> <p>Copyright is a type of intellectual property that applies to create work. It is a legal right that gives exclusive rights to the creator of an original work to use and distribute it.</p> <p>The programme was organize by botany department and Advocate Suresh Sharma was the resource person of the seminar.</p>
