### P.G students should select subject for research; Professor Sharma

One of the speakers expressing his views at the workshop.

**■ Our Correspondent**  
KORBA, Sept 22

A STATE LEVEL workshop was organised at P.G. College on the topic of Research and Research Methodology on Saturday. The workshop was organised for the post-graduate students of the college, with the aim of encouraging them to pursue research work in their field.

Vice-Chancellor of Ujjain University Professor G.D. Sharma attended the workshop as the

chief guest while the President of Janajalpad Committee was the special guest.

The workshop aimed at explaining the basics of research work and various methods used for the purpose. The speakers elaborated the methods used for research in various subjects and also explained the eligibility and registration criteria for research studies.

While most of the speakers were local college professors, Dr. S. Satsangi had arrived from Rajm: Government College to throw light on research practices in sociology.

Addressing the students, Professor Sharma said that they should start preparing on their research topics from the postgraduate level itself.

He said that the students may begin with selecting a subject and collecting the subject material.

College Principal, Dr. Satena gave information about the program and said that the first workshop on research was organised during the session 2017-18.

The aim of the workshop is to make the students aware of the importance of research and guide them about the basic outline of research studies.

The college has taken an exemplary step by providing the facilities in support of P.M. Sarvagya Bina Yojana. The policies for the post-graduate students of the college were also discussed on the occasion. All the heads of various departments, Vice-Chancellor, Dr. Satsangi and other officials were present.
