Content	<p>The internal quality assurance cell (IQAC) of Govt. E.V. Post Graduate College, Korba organized Research Seminar For Post Graduate Students. Dr. G.A. Ghanshyam (OSD, Higher education Raipur, C.G.) sir said that Post graduate research events develop your presenting skills and expand your network by taking part in events specifically for post graduate researchers. As a research student in philosophy, you will have plenty of opportunities to get involved in seminars and workshops throughout the year. Dr. A.K. Dixit (Head, Dept. of Botany Guru Ghasidas University, Bilaspur C.G.) sir said about Complexity of social and cultural phenomena, Comparative cultural work & real intercultural contacts, Important discoveries often occur at the intersection, Opening to international and interdisciplinary perspectives, Merging and overlapping of different fields and disciplines, Many societal, environmental, industrial, scientific & engineering problems cannot be adequately addressed by single disciplines, Intensified specialization of disciplines and the concurrent explosion of new hybrid areas of research.</p>
